

## **Stage Electricians**

Under supervision of the Head Electrician, the Electrician is responsible for loading in and setting up the lighting system. Electricians may also be required to perform equipment repair and maintenance as required; SCS is in an outdoor venue and the elements take their toll. Electricians must be fully knowledgeable about lighting systems, power load balancing, and rigging safety and able to climb lighting poles.

The ideal candidate has extensive knowledge and experience in the field, a can-do attitude, the ability to work cooperatively with other members of the company, a commitment to safety and professionalism.

Candidates must also be able to lift 50 pounds, work safely on a ladder, comfortable with heights, and be able to work outside.

The position is full time from June 18, 2024 to July 7, 2024. The schedule is primarily Tuesday through Saturday. Further season work is possible. It is a contract position. The rate is \$20 an hour, depending on experience. Please email cover letter, resume, and references to:
