

Directing and Dramaturgy

Three interns will be accepted to support professional directors and dramaturgs working on the productions in our combined directing and dramaturgy internship. The responsibilities will vary based on the directors, dramaturgs, and production needs. You may be asked to observe rehearsals, assigned projects and research based on the scope of work outlined by the dramaturgy and directing staff.

Directing and dramaturgy interns will receive a weekly stipend of \$100 and non-locals will receive free housing for 6 to 8 weeks depending on which show they are assigned to. There will also be the opportunity to assist on the intern Fringe show.
